ENGLISH AND MATH COURSES

Mrs. Streans instills principles of good grammar into her freshmen English students.

"Trail along with me . . .," says Mrs. Moore to her juniors.

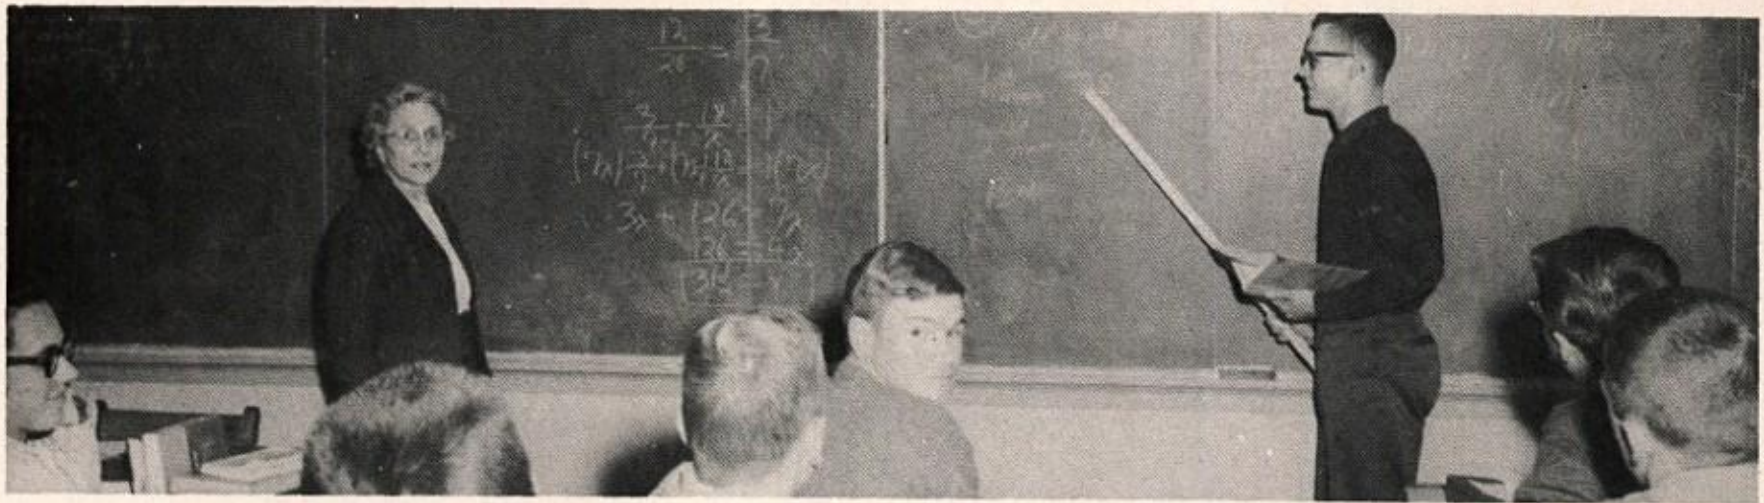

Mr. Thomas asks, "What have you got on . . . your mind?"

PREPARE US FOR THE FUTURE.

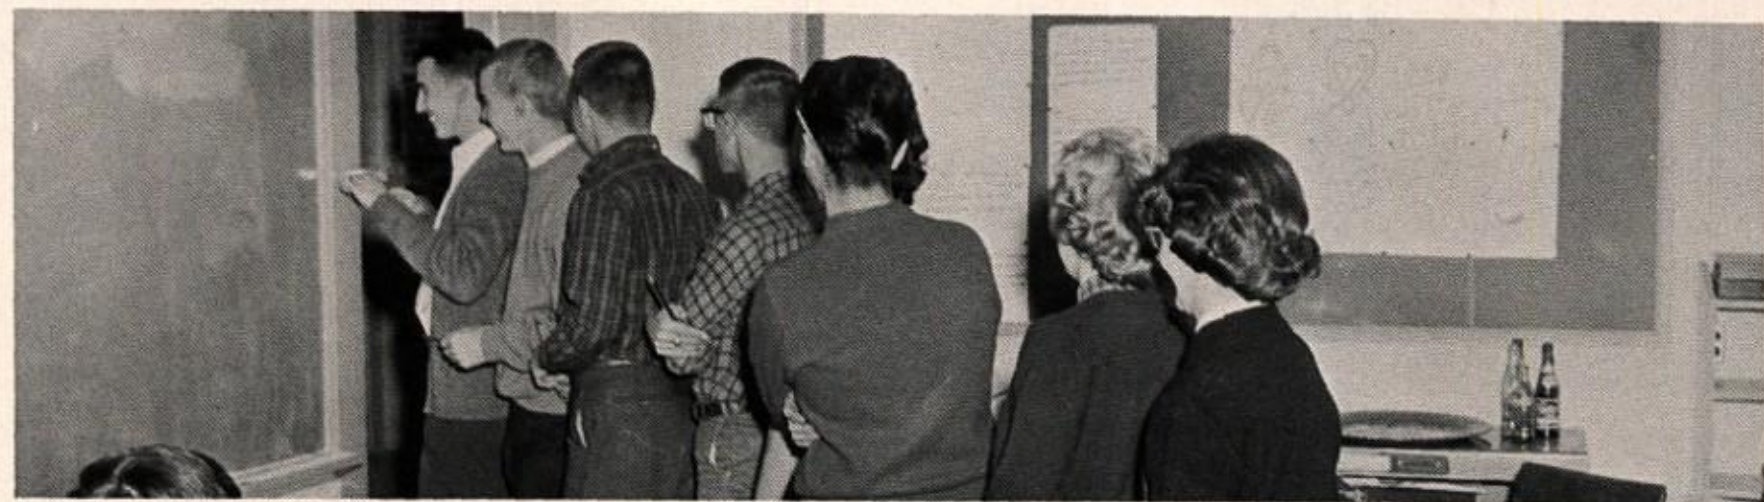

Cheer up, algebra student, it could be senior math!

Mrs. McGill prepares her students for a mathematical career.

The motto of the geometry class: "Clear thinking and sound reasoning."

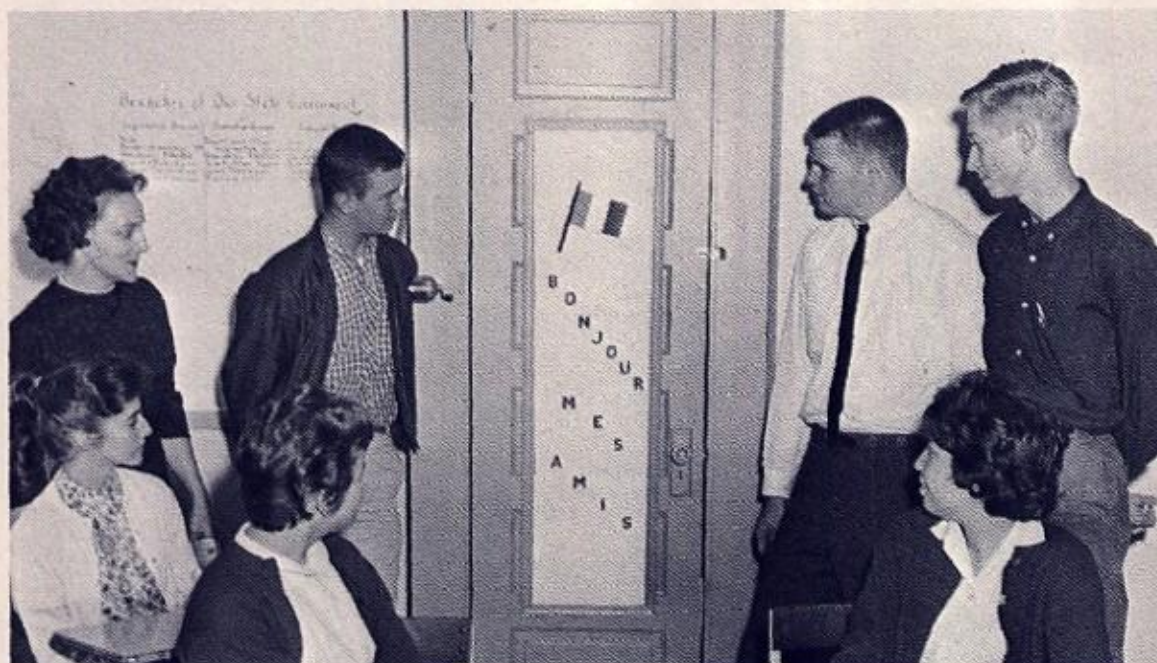

This is a familiar scene in the senior math class on Thursdays.

A CHALLENGE IS PRESENTED IN LANGUAGES,

Mrs. McLeod explains that mythology is an important part of the Latin language.

Parlez-vous francais?

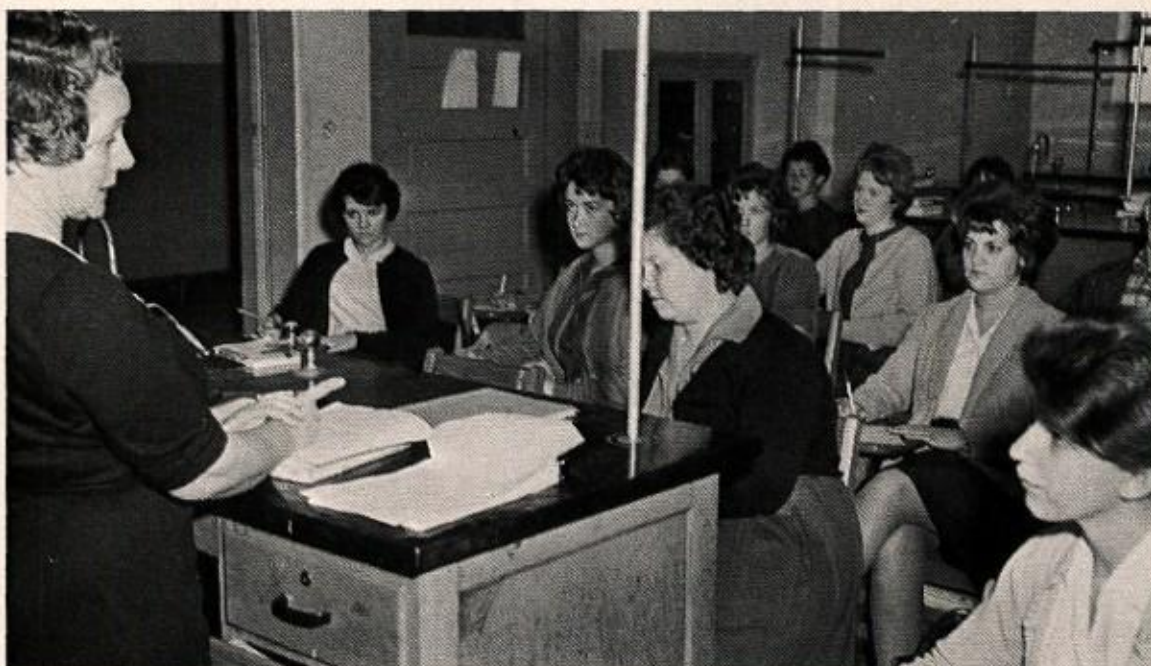

Siesta or Fiesta-
that is the question.

AS WELL AS THE SCIENCES,

"And now, class, I would like to introduce to you musrattus decumanus."

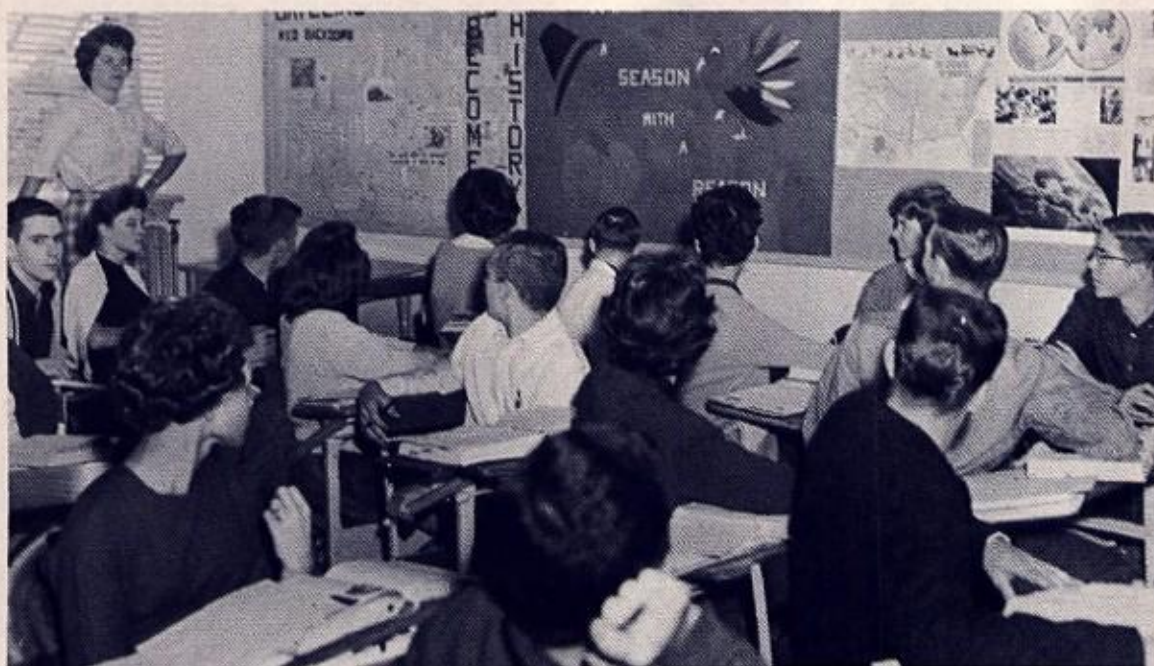

"Just think, one of you may be another Einstein?"

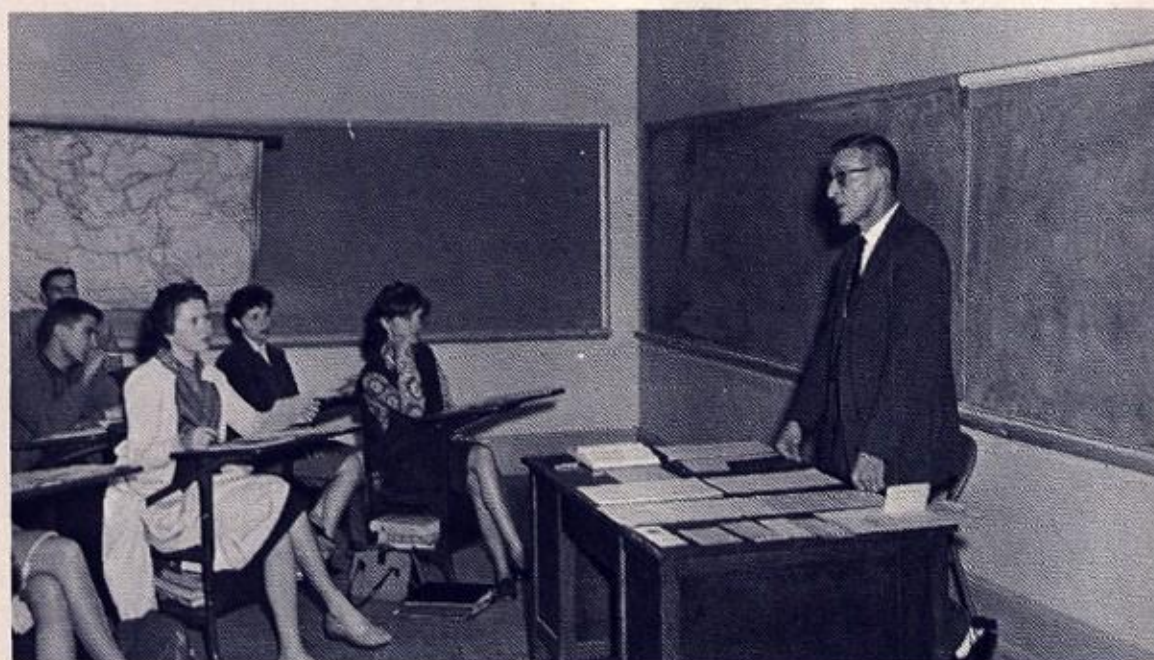

"I was working in the lab late one night when my eyes beheld an eerie sight . . ."

"And next week our current event will be . . . "

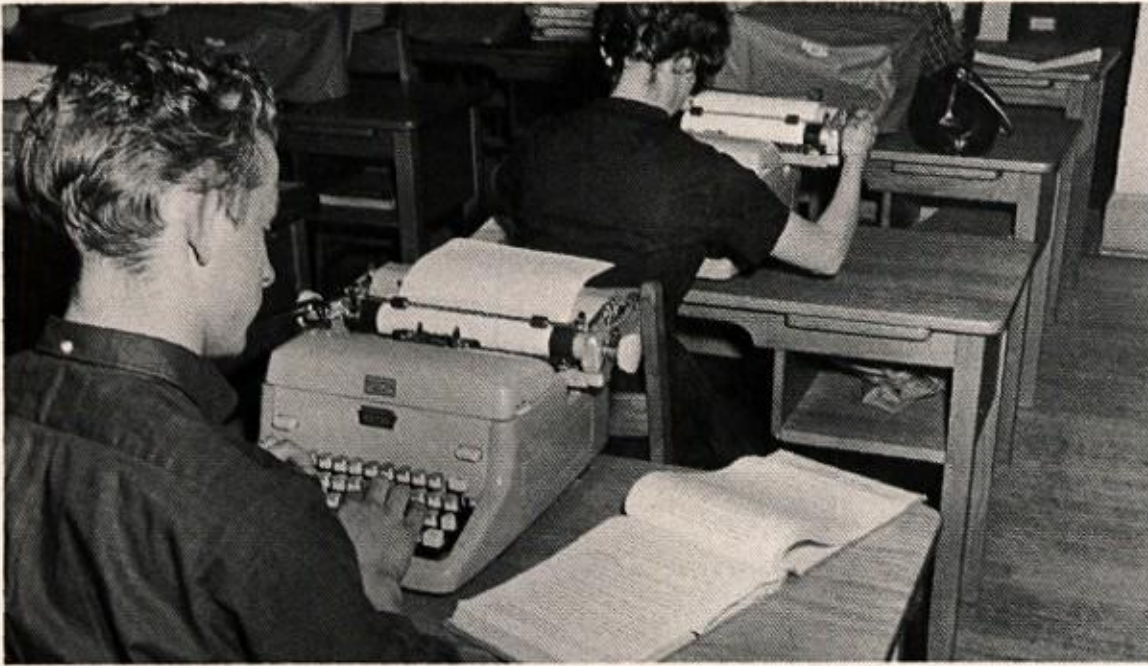

The economics class is often visited by guest lecturers.

"Now tell me, why do you hate your mother?" Miss McCorkle asks her psychology class.

BUSINESS COURSES.

"I use the hunt-and-peck system."

Mrs. Odom's business class learns the proper way to work.

"Now that you've written it, can you read it?"

OTHER CLASSES OFFER OPPORTUNITIES

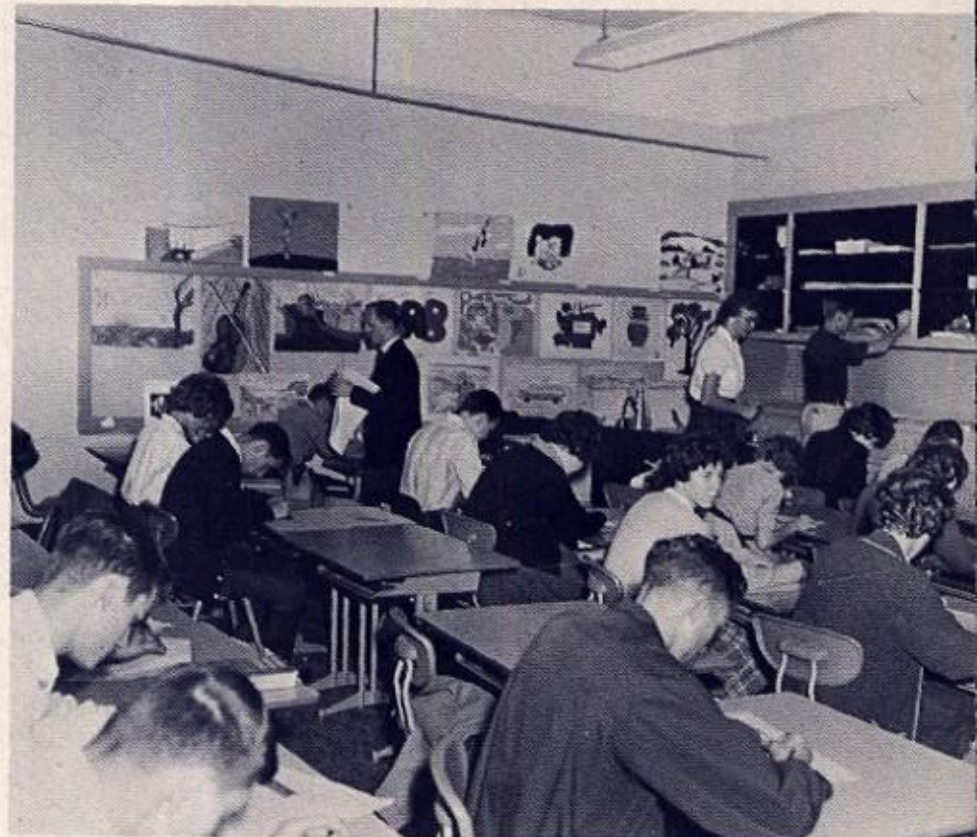

"Practice makes perfect."

"Looks good on paper, but . . . "

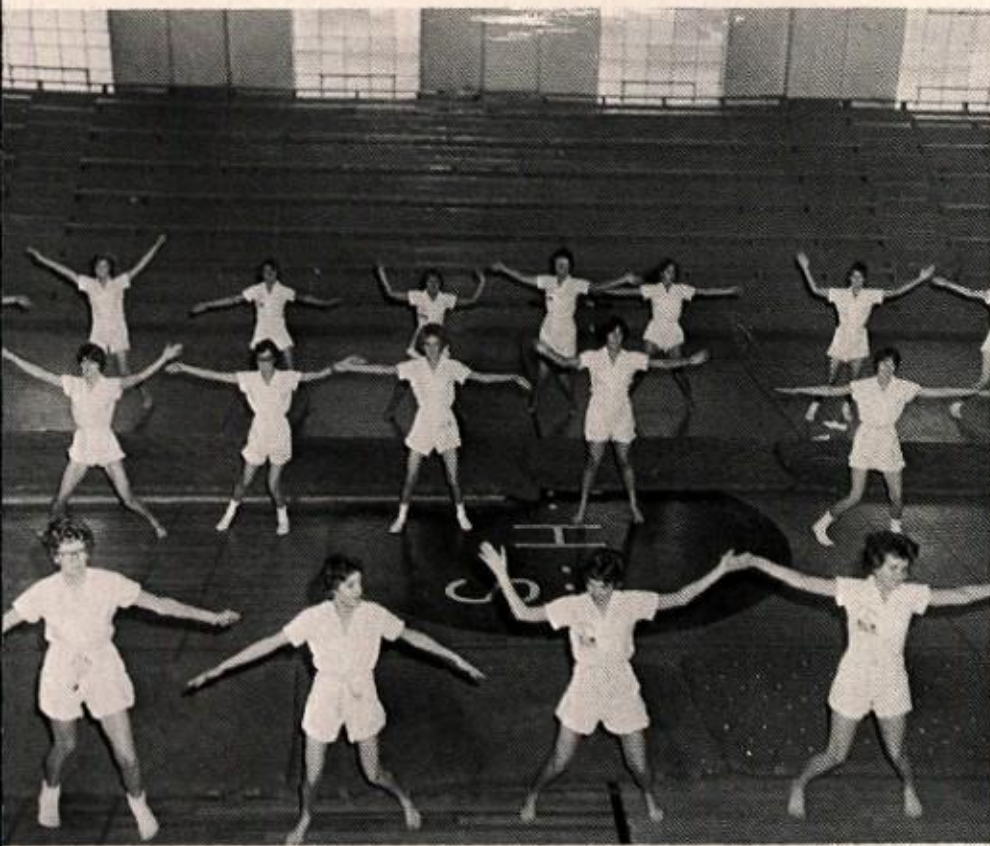

In Bible class Miss Graham explains, "But I was only a little girl."

Pablo Picasso or . . . ?

UNITIES FOR ACHIEVEMENT.

Girls have their ups and downs in physical education.

"To be a good citizen of the world one must first be a good citizen at home."

"What's cooking in home economics?"

"Mary had a little lamb . . . "

WE OWE MUCH TO THOSE WHO WORK BEHIND THE SCENES.

Hail, dear old Laurinburg,
Thy loyal sons are we;
And we will ever be
Loyal to thee.

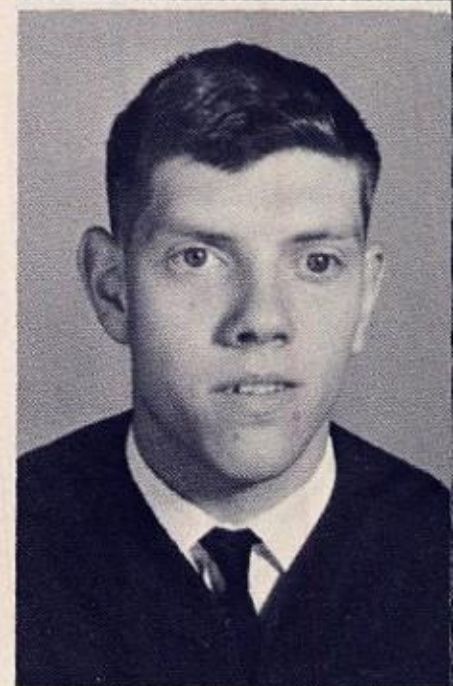

Through all the changing time,
Through all the future time,
Our hearts will ever be
Loyal to thee.

Tho, years may come and go,
Yet still our memory clings
To those dear high school days
Of long ago.

None can compare with these,
And we will ever be
Until our dying day
Loyal to thee.

CLUBS

THE CAMPBELLS ARE COMING . . .

HURRAH! HURRAH!

Even the Stuarts of Scotland would have been proud of our band when it was awarded a trophy in the Bristol, Tennessee, Band Festival.

WHAT DO THEY REALLY WEAR

These high-stepping lassies lead our band.

Mr. Stokes has done much to encourage and improve our band.

Practice is the secret of our band's tremendous success.

UNDER THOSE KILTS?

The band officers lead their organization in perfect harmony.

ALLIED YOUTH IS AN ORGANIZATION LEARNING THE FACTS

Everyone knows that alcoholism is a serious problem today. The main objective of Allied Youth is to let students know the effects of alcohol. Since the greater part of solving a problem is understanding it, the club makes a study of alcoholism and why it exists. As a social problem and a disease, much can be done about the problem of drinking and its reasons for existence. For this reason, Allied Youth is one of the most worthwhile clubs of Laurinburg High School. Many people are faced with the problem of drinking and we hope that we can be better informed in order to be able to overcome any that we might face.

The large number of members in Allied Youth exemplifies the students' interest in self-betterment.

DESIGNED TO AID YOUNG PEOPLE IN ABOUT ALCOHOLISM.

Lucille Massengill, president of Allied Youth, leads the club in a meeting.

Club members enjoy their interesting meetings.

Mr. Calhoun, Allied Youth's sponsor, is seen here with the club's officers, Cliff Dunston, Brenda Pearson, Hand Barrett, and Lucille Massengill.

MEMBERS OF THE BETA CLUB ARE ELECTED SERVICE, AND

Miss Phillips, our sponsor, stresses the qualities of a good Beta Club member.

There are twenty-seven members of the Beta Club.

ON QUALITIES OF CHARACTER, LEADERSHIP, ACHIEVEMENT.

P.J. plays S.C. for the Beta Club's Christmas party.

Celeste Mason is surrounded by happy children opening Beta gifts.

The Beta Club is an honorary service organization. Its members work on such service projects as the homecoming float, underprivileged children's party, and the traditional Beta Club Christmas tree. Funds for these services are provided by various money-making projects throughout the year. Members are chosen on the basis of a minimum 85 scholastic average and qualities of character, leadership, and service. New members are selected in an induction ceremony soon after midterm exams. The Beta Club provides the opportunity for personal satisfaction from service to others.

Bob Thompson, Karen Gibson, Jim Richardson, and Linda Lundin (not pictured) make up the Beta Club officers.

MEMBERSHIP IN THE ARE INTERESTED IN

The Bible Club officers are Phyllis Parks, Hilda Bowyer, Susan Shelly and Suzanne Singleton.

The Bible Club is a club of high moral standards.

During the year the Bible Club has had many interesting speakers such as Dr. David McLean who spoke on "Witch-craft", and Rev. Richard Aldermann who spoke on "The Marriage Vows."

Parties consisting of fish frys, Sweetheart banquets and others were enjoyed by all.

These are just a few of the things the Bible Club has undertaken; but all are to help create a more understanding feeling between the students and to relate a spiritual undertaking to everyday living.

Nancy McLean m.cee's a Bible Club skit.

Some members of the club enjoy the supper at their Sweetheart Banquet.

BIBLE CLUB IS OPEN TO STUDENTS WHO SPIRITUAL DEVELOPMENT THROUGH SERVICE.

The Bible Club encourages its members to follow Him who said, "I am the way, the truth, and the light."

Jack and Cliff Dunston provide the entertainment for the Bible Club party.

Games, such as this duck wedding, were enjoyed by members of the club at one of their parties.

Eleven people make up our fine newspaper staff.

THIS IS OUR ANNUAL. COLOR IT PLAID. WHITE, AND RED

Mrs. Odom, a past newspaper woman, advises the staff of the SCOTSMAN.

The Scotsman staff of Laurinburg High School seeks to bring the latest news to the students. Celeste Mason is the Editor-in-chief. Ann Medlin and Kaye McCormick are the associate editors. The Scotsman staff is composed mainly of journalism students. Mrs. Mary Odom, journalism teacher, is the faculty advisor.

Celeste Mason and Ann Medlin accept an award from Walter Spearman, Professor of Journalism at U.N.C., for their outstanding news coverage.

The annual staff is composed of students from every class who wish to do voluntary work.

When confusion reigns, it pours.

THIS IS OUR NEWSPAPER. COLOR IT BLACK, ALL OVER.

No single quotation describes the philosophy of the 1963 Fighting Scott annual staff better than "one's reach should exceed his grasp." With this philosophy we were bound to have failures and we did. However, we believe that our successes more than compensated for our failures, for we attempted to do and did do many things that distinguish a yearbook as representative of a particular school. We take great pride in the originality of our yearbook cover alone, and we hope that here we have set a precedent that will be followed by the yearbook staffs of Laurinburg High School to come.

Credit for the production of the 1963 Fighting Scott must be divided among many individuals. We are indeed indebted to Mrs. Eloise Hawk because her efforts last year as annual sponsor enabled us to do many things that otherwise could not have been done. She left us the best inheritance possible---money. Credit must also be given to Editor Elizabeth Jones and Assistant Editors Karen Gibson and Linda Lundin who supplied the originality, encouragement, and hard work which are essential to every good yearbook. Of

equal importance were the business activities of the staff directed by Business Manager Freda Howell with the assistance of Sally Roach and Ann Andrews. As we try to give credit where credit is due, we feel that we must mention Allen Webster, Suzanne Singleton, and Sylvia Clayton whose tireless efforts helped make this yearbook possible. Also on the staff were Ellen Jones, Shirley Wade, McNeill Gibson, Louis Sipka, Ed Guest, Bob Thompson, Bill Campbell, Johnny Sweeley, and Paul Folmsbee. In short, this year's annual is the result of the concerted efforts of many individuals. We hope that you will be as proud of it as we are.

With his endless energy and his clever imagination, Mr. Thomas, our annual sponsor, urged us on to complete the yearbook successfully.

"You did what with the negatives?"
Paul Folmsbee and Johnny Sweeley gave much of their time so that we might have interesting photographs.

THE NATIONAL HONOR SOCIETY AND THE ORGANIZATIONS DESIGNED TO PROMOTE

The members of the National Honor Society, Elizabeth Jones, Freda Howell, Linda Lundin, Karen Gibson, and Hope Keeton, represent the high standards of excellence in Laurinburg High School.

We look up to you, Mr. Calhoun.

Members of the National Honor Society are selected on the basis of character, leadership, and service, as well as scholarship. A minimum scholastic average of 90 is required of all members. A maximum of 5 per cent of the junior class and 15 per cent of the senior class are eligible for membership. New members are received into the society in a very impressive tapping ceremony conducted by veteran members. The great honor of being in the National Honor Society inspires many to strive for excellence in scholarship and character during their school years.

FUTURE TEACHERS OF AMERICA ARE SCHOLARSHIP AMONG ITS MEMBERS.

The F.T.A.'s officers are Sara Rogers, Judy Rogers, and Sally McMillian.

The purpose of the Future Teachers of America is to acquaint its members with the advantages and disadvantages of a teaching career. Group discussions and questions make up a good deal of the activities. The club plans to observe classes in the grammar grades and to discuss what it sees. Talks with teachers and other school officials have also been scheduled. From these activities, the members hope to get a birds eye view of the teaching profession.

The F.T.A. Club gives its members a look at the life of a teacher.

THE FUTURE HOMEMAKERS OF AMERICA LEADERSHIP IN

The members of the F.H.A. find in their club valuable experience for future life.

The F.H.A. members are primarily interested in learning the principles of good housekeeping and good citizenship. The members come from the Home Economic classes and are advised by Mrs. Lassiter. The club presented a play entitled "Marriage Versus Education" for the student body.

Some of the F.H.A.'s officers include Blenda Caulder, president; Emily Hatcher, vice president; Bebe Morgan, secretary; Nan McDonald, treasurer.

THE FUTURE BUSINESS LEADERS OF AMERICA PROMOTE STUDENT

Maxine Driggers, Diane Snipes, Barbara Boyd, and Emily Barrington led their club in interesting discussions.

The Future Business Leaders of America is an organization established in many high schools and colleges throughout the nation. It is composed of students who are interested in a business occupation or subject. Its purpose is to develop in each member a high degree of participation and leadership, not only in the field of business, but also in all phases of civic and social activity.

Many girls find the answers to their questions about business in F.B.L.A.

AND THE PETITE ACADEMIE FRANCAISE PARTICIPATION.

The life of the Frenchman is studied in the Petite Acadamic Francaise.

The "Little French Academy" is an organization open to all students who are presently enrolled in French or who have previously had French. The club is designed to acquaint its members with French customs and culture, and to give them a better working knowledge of the French language.

The club's officers are Ann Blalock, secretary-treasurer; McNeill Gibson, president; and Paul Livingston, vice-president.

THE PURPOSE OF THE BOYS' AND GIRLS' GOOD SPORTSMANSHIP AND

The Boys' Monogram Club, one of our hardest working organizations, offers fun and fellowship to its members.

No other club in Laurinburg High School has done so much for the school and community as has the Boy's Monogram Club. The club presented an alumni basketball game and sock-hop, with all profits going to CARE. They also sponsored a chicken-plate dinner in order that boys who didn't have the money could go to football camp. However, the main function of the Boys' Monogram Club is to promote athletic competition and good sportsmanship in Laurinburg High School. They have done this in the past and will continue to do it as long as athletics remain at Laurinburg High School.

The Boys Monogram Club officers include Graham King, Jim Richardson, and Denny Staples.

The Monogram boys enjoy their new club room.

MONOGRAM CLUBS IS TO ENCOURAGE SCHOOL SPIRIT IN L. H. S.

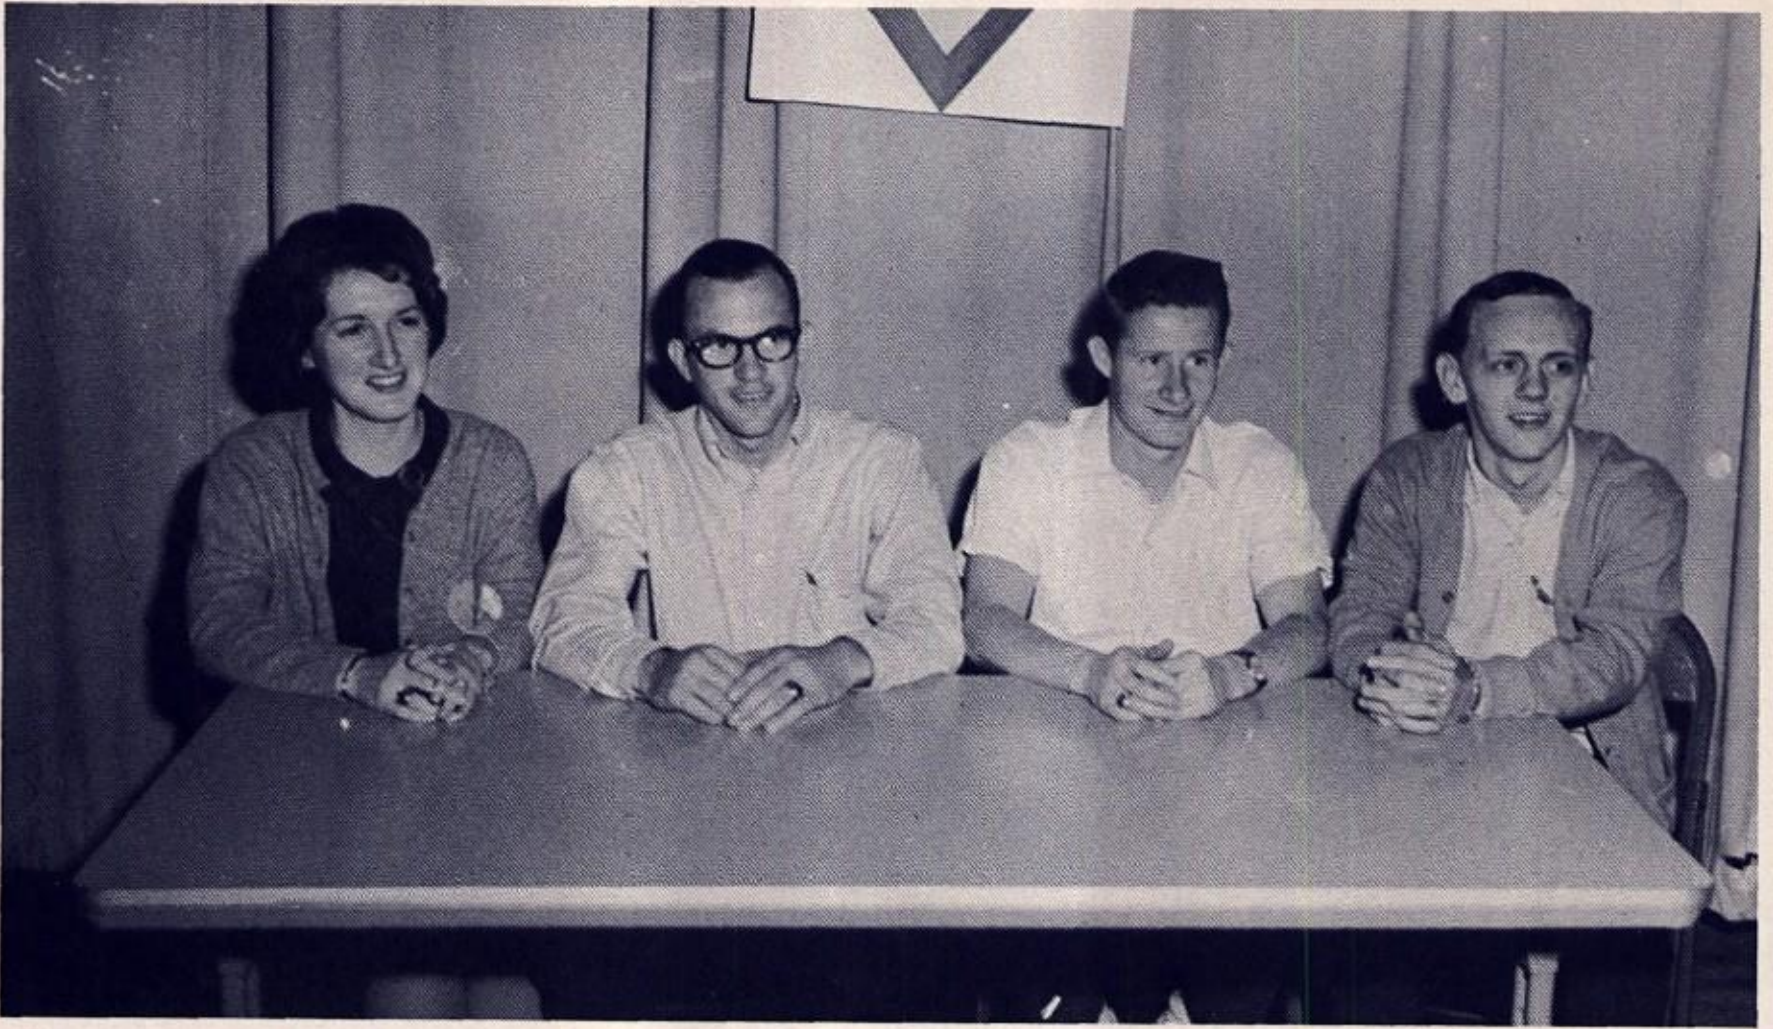

The members of the Girls' Monogram Club render many useful services to our school.

Members of the Girls' Monogram Club must have earned a letter as a basketball player, as a cheerleader, or as a manager. Members must undergo spring initiation before becoming a member. The club is a service club and has done much to improve the school. The main project for 1963 has been to equip and maintain a sick room. Money for the projects is earned through an annual student-faculty basketball game.

The club officers are Mary E. McArthur, Pam Still, Mary G. Grubbs, Sally Roach, and Nancy Liles.

FUTURE BUSINESS LEADERS.

The officers of V.I.C. are Cecil Bowyer, Bobby Hogan, Ebbie Lassiter, and Harley Whiteside.

The Vocational Industrial Club was chartered this school year, 62-63, with twelve members. It is our purpose to grow in scholastic achievement, vocational competence, social adjustment, and service to our fellow men. Our chapter is affiliated with the North Carolina V.I.C., and we have participated in the district meetings.

The twelve members of V.I.C. work to help train good workers.

THE SPO IS DESIGNED TO DEVELOP LEADERSHIP THROUGH SERVICE.

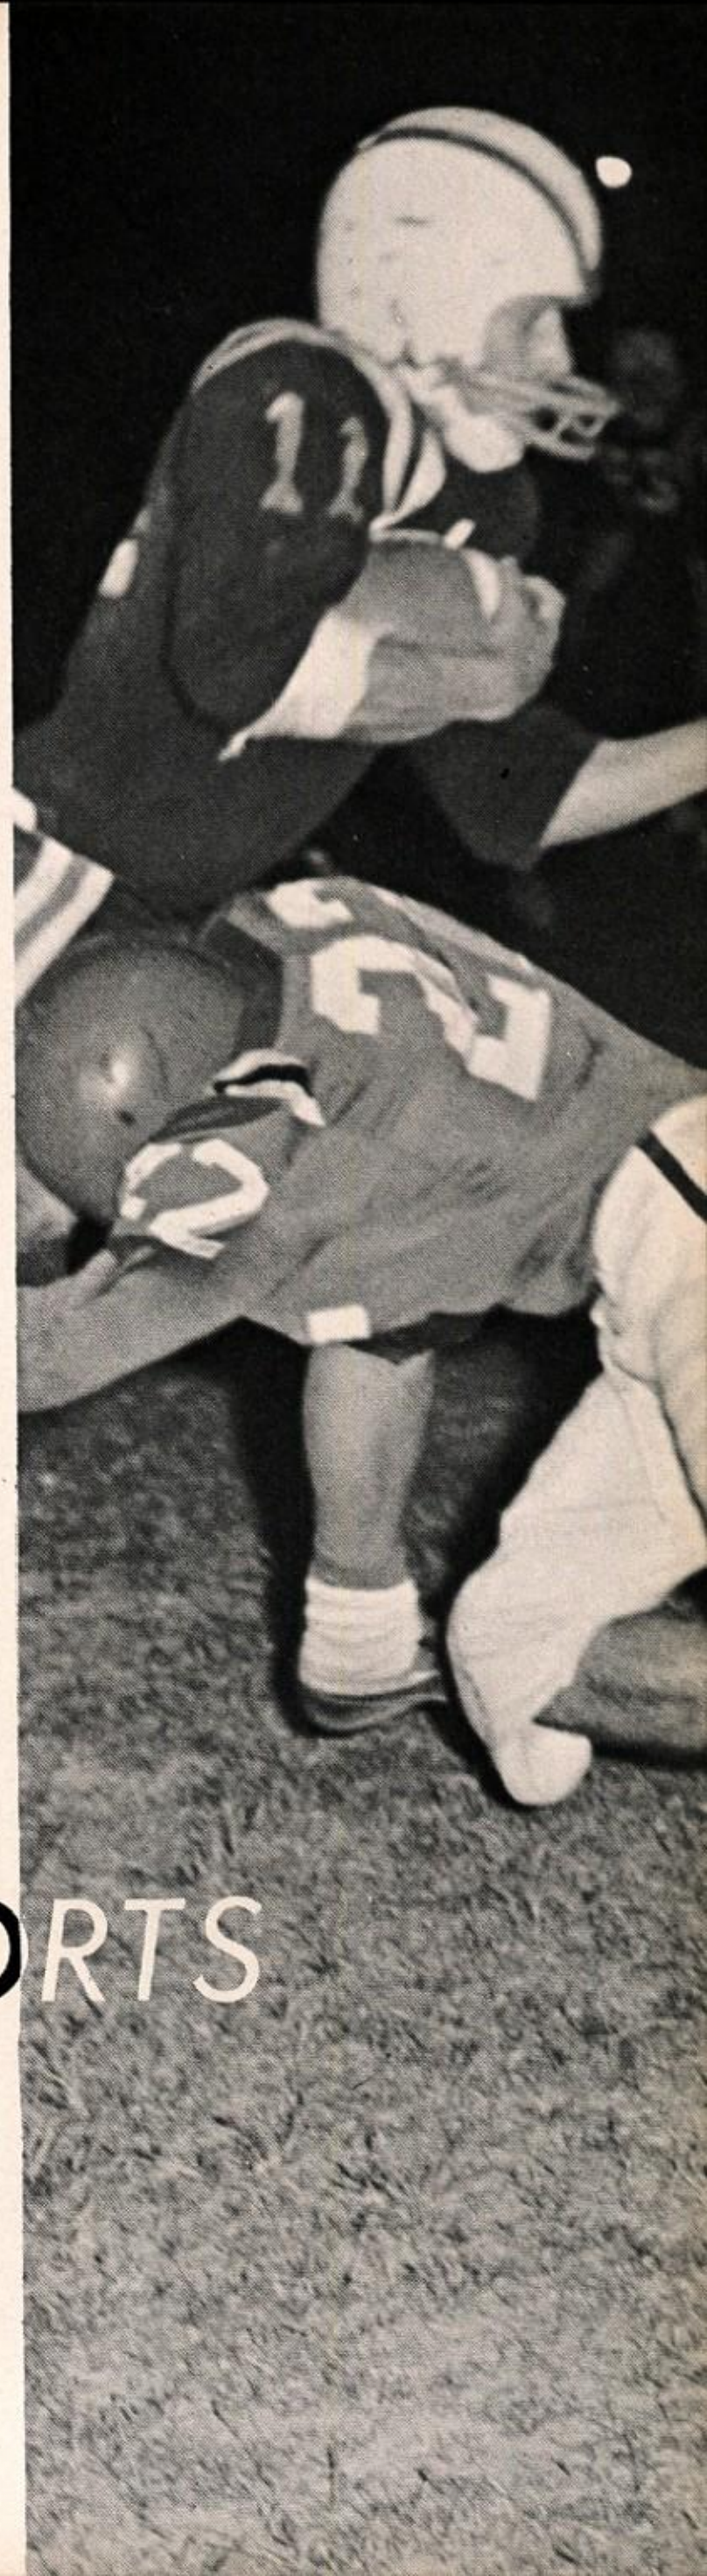

The Student Participation Organization is the governing body of our school.

Each year one representative and one alternate are elected from each homeroom to serve on the Student Council, which functions actively throughout the school year. In 1962-1963, the S.P.O. council met for the first time in its own study hall during sixth period. This study hall acted without the services of a teacher, although it did have an advisor. The operating of a study hall with students alone was the first major step toward starting an Honor System at L.H.S.

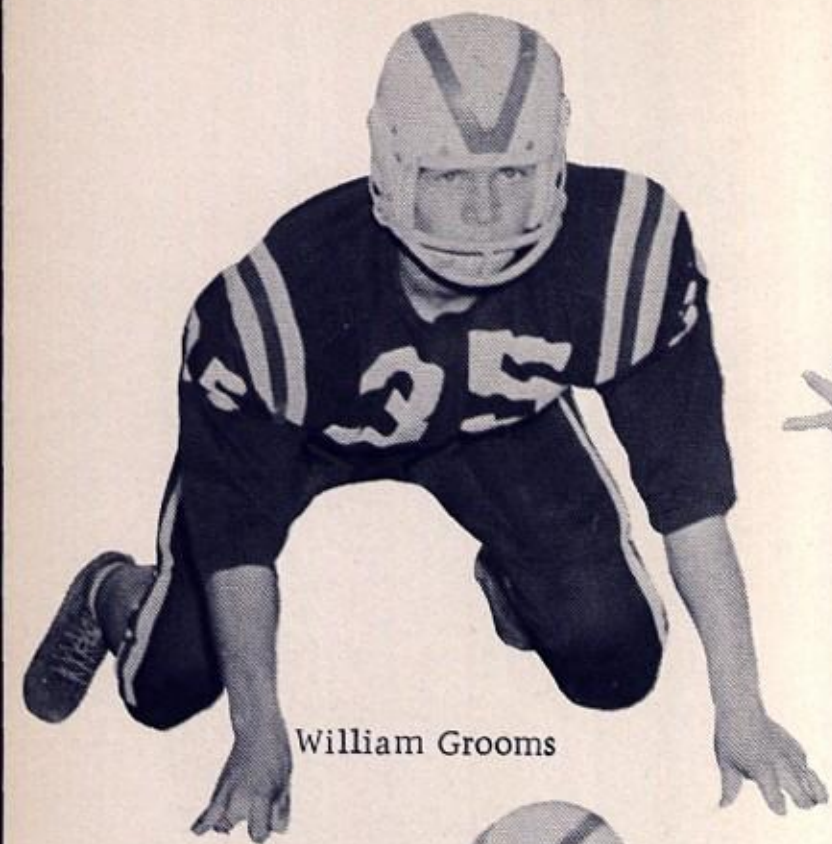

The positions of S.P.O. officers are held by Bill Parker, vice president; Gibby Gibson, president; Joanne McLeod, secretary; Wade Hampton, treasurer.

Laurinburg's Junior Varsity football team, coached by Bill Inabinett, wound up with five wins and four losses for a very successful season. The J.V.'s opened up the season by falling to Wadesboro, 9-6. The squad met Hamlet next and won their first game of the year by edging the Red Rams, 6-0. The fired-up team clashed with Wadesboro again and downed them 14-13. Raeford, the next victim, was beaten, 20-13, and then decisively beaten, 26-0. The Scotties lost their next three to Rockingham, 18-6, Sanford, 12-7, and Lumberton, 6-0. They closed the season by trimming Hamlet again, 6-0.

The junior varsity football team had a power-packed season.

THOSE SCOTS "CLICK"!

Spirit, desire, and teamwork are the ingredients which have made this year's "Fighting Scot" basketball team one of the great teams in the history of Laurinburg. Posting their best conference record in six years, the Scots captured the admiration of every basketball team they faced. Not enough respect can be given to their coach, Mr. C.C. "Buck" Knotts, for he represented the true spirit of the team. Their only conference losses have been to last year's state champs, Sanford. Yes, the "Fighting Scots" have made for themselves a splendid record that will stand for many years to come.

IN THE J.V. BASKETBALL TEAM, COACH

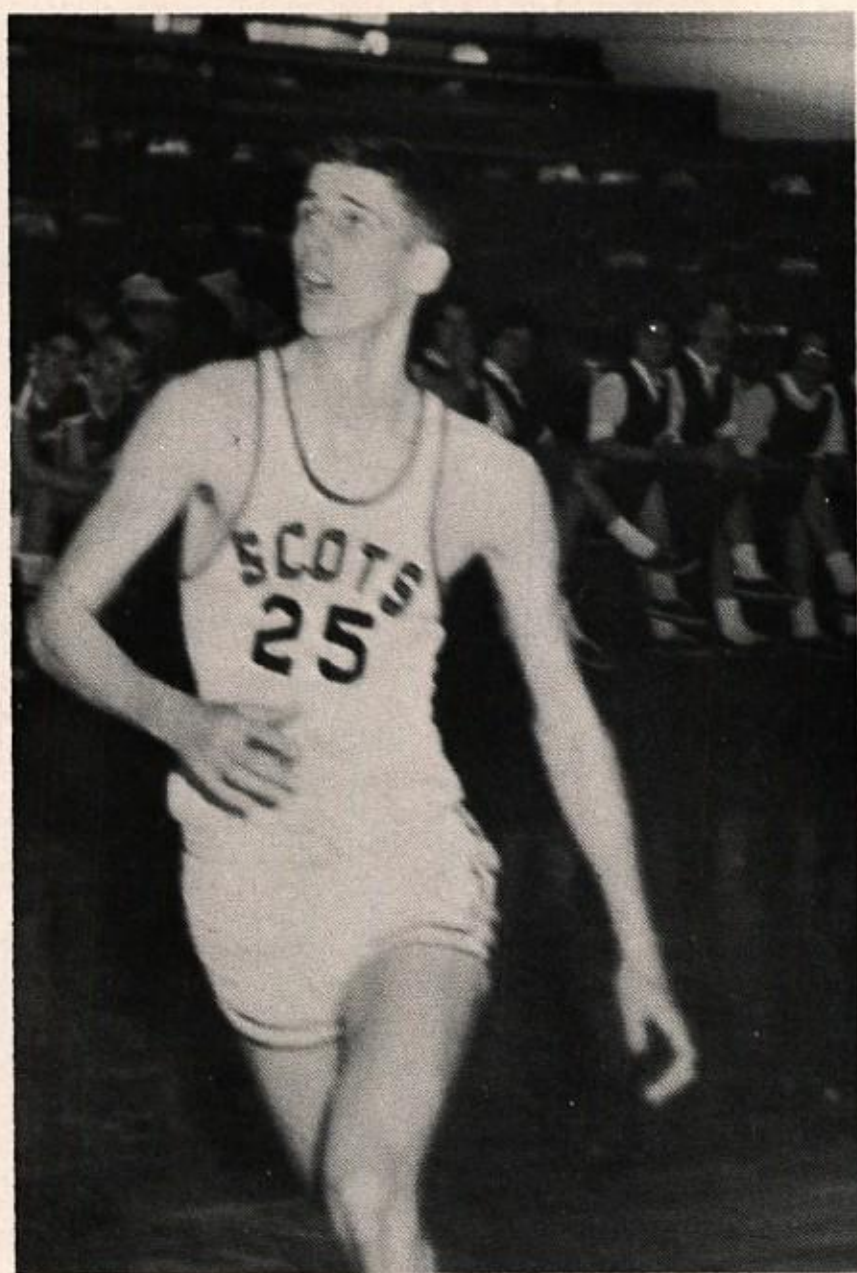

The junior varsity basketball team met the challenges of the opposing teams with vigor.

Coach Yongue guides his team to many victories.

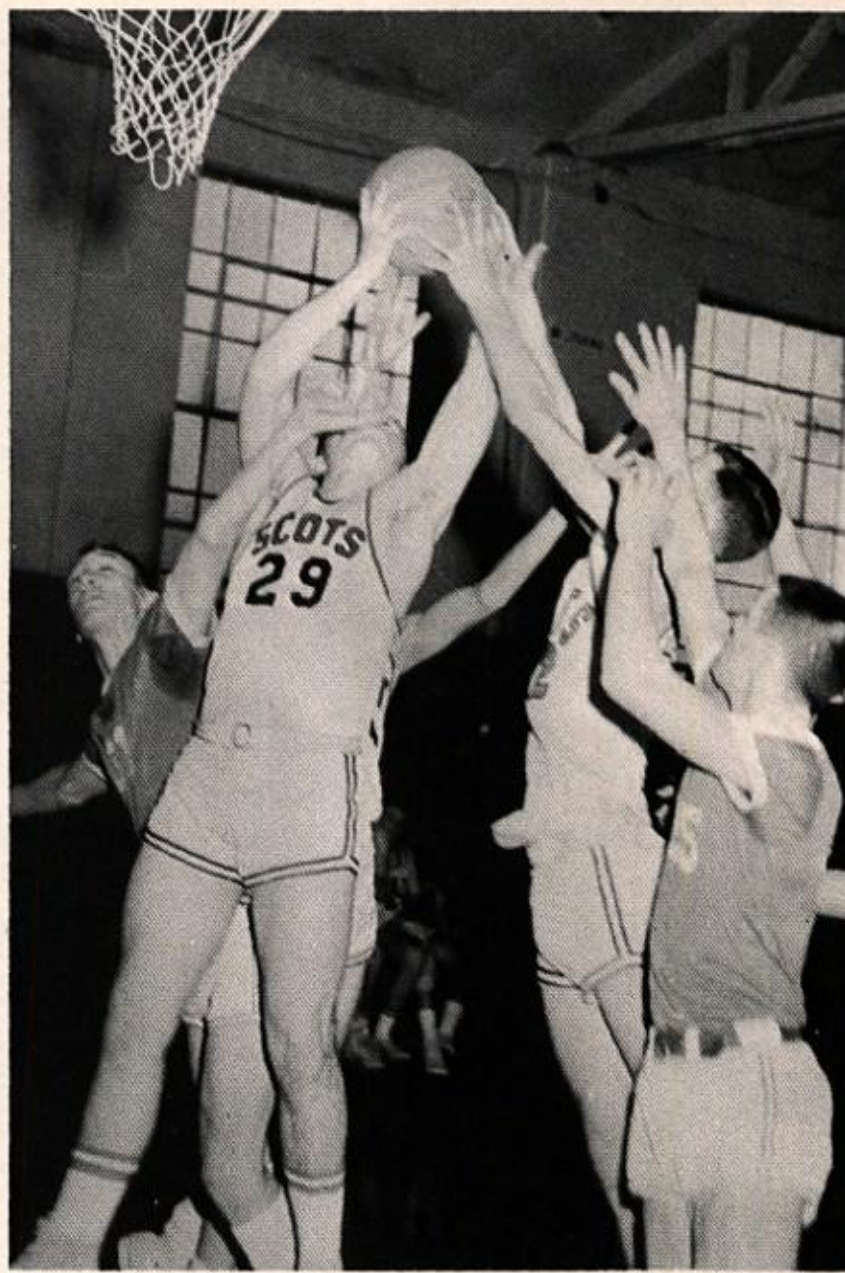

The junior varsity basketball team under the able leadership of Coach Douglas Yongue had a good season. It is true that it was not an impressive season from the standpoint of the number of games won. However, the team showed excellent potential, determination to win, and good sportsmanship, and the members of the squad should develop into some very fine material for next year's varsity.

Sally Roach, Nancy Liles, and Bebe Morgan cross their fingers for two points.

The Girl's Varsity Basketball team of 1962-1963 consisted of fifteen members from the sophomore, junior, and senior classes. The team played several more games than the clubs of previous years. All members who supported the Scotties throughout the year were initiated into the Girls' Monogram Club at the end of the official season.

A GOAL FOR THESE J.V. GIRLS.

The sixteen members of the junior varsity basketball team worked hard to show the fans good games.

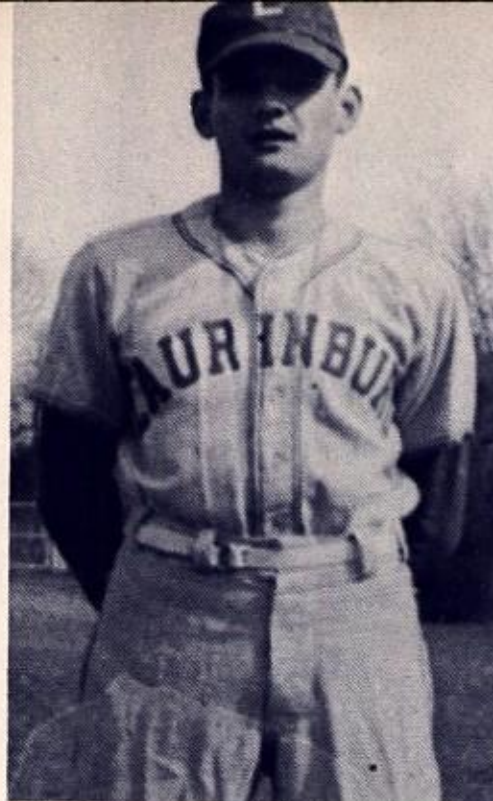

Miss McCorkle is the spark that sets the team ablaze.

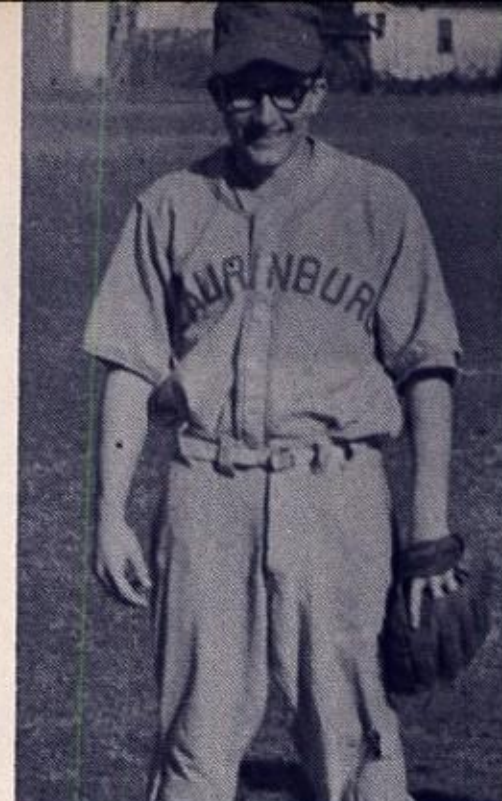

It is not often that a team comes along in which a coach can take tremendous pride even though the team has not had an impressive winning streak. Miss McCorkle, coach of the junior varsity girls' basketball squad of 1963, assures us that she has just such a team. She has repeatedly stated that her J.V.'s have always shown good sportsmanship, team spirit, and determination to win in contest after contest. What finer tribute could anyone pay to a team whether it finished first or last?

Miss Bishop

It has been a good year
for me in your study hall
and I have enjoyed it. If I
had to choose a teacher whom I
would want study hall under,
I would choose you. I hope you
will always stay a nice person
and a good teacher. I always
will remember you.

Your friend and student
Joe Anthony

year, last year. I have had a good time
in both of your classes. Good Luck
to the best teacher at S. H. S.
(P. S.) My favorite Dreamland song.

quite been there for a
few months. Anyway it's
been nice knowing you
this year and being
friends with a real sweet
teacher. May you have
all the happiness and luck
in the future. Also, I'd
like to see that "Miss"
changed to "Mrs." before
long but I guess that's
left up to you and that
"special" one.

Stay sweet and remember
me always.

Best Wishes,
Walter "Stogaw"
